MISSION ST VINCENT BIO

BORDEAUX ROSE

THE VINEYARD

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The Bordeaux rosé appellation wines are made using a short skin contact of just a few hours; the juice, free of tannins, is then vinified like a white wine. Bordeaux rosés are supple with fruity aromas, fresh, elegant and long on the palate.

HISTORY

For centuries the Entre-Deux-Mers region of Bordeaux has been crossed by pilgrims on the Way of Saint James. Here they chanced on medieval fortified towns and 12th century missions such as those of Créon, Monségur, Sauveterre-de-Guyenne or Saint-Vincent de Pertignas, which has taken the name of the patron saint of winegrowers, Saint-Vincent.
