ROC SAINT VINCENT

BORDEAUX RED

THE VINEYARD

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The tide, which flows up both of the region's rivers, brings very specific characteristics to the wines. With its huge size, Bordeaux reds offer an infinite palette of flavours and combine their qualities in myriad different ways.

HISTORY

Roc is commonly used as the name for villages built on stone foundations. The name "roc" gives an impression of solidity, balance and heritage. The wines of Bordeaux are firmly based on French and Bordeaux tradition, wines made with the know-how of cultural heritage, viticulture and symbolic architecture. Discover our complete range of Roc wines with: Roc de Lussac, Roc des Colombiers, Roc des Chevaliers, Roc Saint-Vincent and Réserve du Roc, which cover a wide range of appellations.

WINEMAKING AND AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature using selected yeasts, with 2 to 3 weeks on skins to provide a round and supple wine. Ageing in stainless-steel and concrete tanks.

GRAPE VARIETIES

FOOD PAIRINGS

Serve at between 16 and 18°C. Can be enjoyed throughout the meal.

TASTING

Vivid red colour with good intensity. Clean, fruity nose. Fruity and round on the palate, with a good level of supple tannins. Traditional.
