LA CROIX SAINT VINCENT

BORDEAUX DRY WHITE

THE VINEYARD

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

HISTORY

The story of Saint Vincent goes back to the days of the Roman Empire, but it was in the Middle Ages that winegrowers chose Saint Vincent as their patron saint to represent them socially and religiously. Legend has it that Saint Vincent was chosen because the first syllable of his name is none other than "vin", the French word for wine. Saint Vincent's day is 22 January, the traditional day for the start of pruning. Available in Bordeaux white and red.

WINEMAKING AND AGEING

Mechanical harvesting. Rapid destemming and crushing of the grapes. Skin contact for part of the crop followed by pressing. Cold settling of the must. Alcoholic fermentation at controlled temperature until the sugar is used up, to provide a dry wine, in the presence of yeasts selected according to the required profile. Ageing on fine lees.

GRAPE VARIETIES
100% Sauvignon

FOOD PAIRINGS

Serve at between 10 and 12°C as an aperitif or to accompany fish or soft cheeses.

TASTING

Pale yellow colour with green reflections. Sauvignon on the nose with citrus and floral notes. Lively and aromatic on the palate, slightly sappy (fat). Long finish. Good balance for this elegant wine, dominated by fresh fruit and a mineral note.
