# CHATEAU BOIS DE LA CHARBONNIERE

BORDEAUX RED SUPERIOR

## THE VINEYARD

This region consists of limestone plateaux at around 100m above sea level, hence its name "Bordeaux's high country". Wines of the Bordeaux Supérieur appellation are produced the vineyard zone of the Gironde. The wines must conform to rigorous quality criteria and are made from grapes from selected vineyard parcels and older vines. The red Bordeaux Supérieur is characterised by great aromatic complexity combining ripe fruits, floral aromas, spice and often a hint of oak.

## WINEMAKING AND AGEING

Cold soaking before fermentation (4 to 15°C for several days) for the ripest grapes, to obtain more intense fruity notes. Thermovinification of part of the harvest to obtain a must rich in colour and fruity aromas. Alcoholic fermentation (controlled temperature, selected yeasts) with 2 to 3 weeks on skins to provide a round and supple wine. Ageing in stainless-steel and concrete tanks.

### GRAPE VARIETIES

65% Merlot, 20% Cabernet sauvignon, 15% Cabernet franc

### FOOD PAIRINGS

Serve at between 16 and 18°C. Can be enjoyed throughout the meal.

### TASTING

Vivid red colour of good intensity. Clean, fruity nose. Fruity and round on the palate, with good structure. Traditional.
