CHATEAU CAMARSAN

BORDEAUX RED

THE VINEYARD

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The tide, which flows up both of the region's rivers, brings very specific characteristics to the wines. With its huge size, Bordeaux reds offer an infinite palette of flavours and combine their qualities in myriad different ways.

HISTORY

François Coutureau took over this family estate in 1993. Spread over the villages of Grézillac, Moulon and Tizac de Curton, it was enlarged in 1998 with the purchase of vines located in Naujan-et-Postiac, a typical Entre-Deux-Mers village noted for its many water mills.
